

C

C) ANALYTICAL METHODS/RESULTS

The analytical technical fact sheets for ITO-EN green tea products (loose leaf and beverage) catechin composition are presented in Section K of this binder. The analytical method for conducting this analysis has been published in the Journal of Food Composition and Analysis Volume 17: 675-685, 2004 (Nishitani and Sagesaka, 2004) and it is also found here.
